

Domestic Machine Quilting

FOR Beginners! ... With Esther

Your quilt top is completed.... what do you do next?

Quilting is just as important as designing a topquilting is what makes a quilt a quilt!

In this workshop you will learn how to adapt interesting designs into your quilting as well as:

- ✓ Straight line quilting
- ✓ Free motion quilting—various designs
- ✓ Choosing the order of machine quilting
- ✓ Problem solving
- ✓ How to use your machine to its best advantage
- ✓ Learning simple techniques to choose needles & threads
- ✓ Marking tool choices

Don't know how to cope with an impossible quilting task?...well, not any more!

1 or 2 day workshop. Beginner. Max. 12 students.

Sewing experience necessary. Personal domestic sewing machine required. Completed quilt top not essential, feel free to come along with a ready fabric sandwich to work on.
